

GAMES OF SKILL AND CHANCE

Throughout the convention the Skill & Chance room will be home to any adventure-seeking con-goers who wish to partake in the flip of a card or the roll of a die. Games will be provided for use and feel free to bring along anything new you've been dying to try out. As well as the drop-in nature of the space, the Skill & Chance room will also host the following events:

Friday, 8pm-12am - Game Demo: Righteous Demon Hunters

Follow the journey of evil sorcerer Xian Dai-Xi over the span of five hundred years, imprisoned and released in modern day San Francisco. Together with his cult of followers, the Order of the Jade Scorpionm Xian works to recover the final components to unleash his terrible ritual,

Saturday, 11am-12pm - Game Demo: Chronotechs: the Many Lives of Hayley Helix

Greetings, Chronotect. Welcome to another day outside the realms of time. Today's subject is Hayley Helix. Her identities have become too fluctuated and must be re-synced. You will be mapping the timeline of one such identity, ensuring it's synchronisation with 'the plan'. Only one can survive.

Saturday, 2pm-3pm - Game Demo: Ninjitzoo

Help the ninjanimals escape from Mr Ninjit's booby-trapped zoo in this card game for all ages. Each player will control their own crew of creatures and will have to acquire items in order to enact the wacky escape plans these crazy critters have devised.

Saturday, 3pm-4pm - Game Demo: Trapped

Trapped is a party game that has a simple aim - empty your hand first. This is achieved by playing traps on those who meet the condition, such as someone smiling (it'll happen a lot). Remember playing Truth or Dare as a kid? Trapped disregards the boring gossip and makes it all about the dare.

Saturday, 8pm-9pm - Game Demo: Cards Against Humanity

Adults Only! Trigger warning! Cards Against Humanity is the card game for terrible people. Nothing is off limits as players try and play what they consider to be the funniest (or most awful) answer card to a question card. New players welcome.

Sunday, 2pm-5pm - Game Demo: Stars Wars: Edge of the Empire

Gather your friends and prepare for adventure in the Star Wars galaxy! Whether you're new to roleplaying games or just new to Edge of the Empire®, the Beginner Game is the perfect starting point. A complete, learn-as-you-go adventure, pre-generated character folios keep the rules at your fingertips.

Sunday, 10pm-11pm - Game Demo: Mafia Werewolf/The Thing

This game is known by differing names, but all have one thing in common: someone amongst you is a traitor, and are converting more of your community to their cause. Will you be able to identify who it is, or end up sleeping with the fishes/infected with lycanthropy/killing Kurt Russell?

Monday, 11am-12pm - Game Demo: Ruse

Someone has been murdered and you are all suspects - but who dunnit?! Hurl accusations, present alibis and try to avoid confessing all in this game of mystery and melodrama.
